A gift to remember...

...a Discovery Flight Lesson.

A gift they'll remember...

...a Discovery Flight Lesson.

Discovery Flight - As the name implies, the flight allows to discover the hidden desire in you of soaring high! A **30 minute flight** from Addison Airport to over **Downtown Dallas** and back, gives you a view which you were always wishing for! Get a glimpse of the techniques involved in learning how to fly, maneuvering the air and **controlling the airplane**, all by your self from the seat of the **Pilot in Command!** Accompanied with 30-60 minutes of introductory ground lesson, with our airline experienced Flight Instructors before you step in the new fleet of aircrafts!

Gift a discovery flight to your loved ones, or have a memory on those special occasions, get a feel before you choose flying as your hobby, or take a chance before you choose your career - **Discovery flight for just \$69 is definitely worth it!**
